We follow in Christ's footsteps

Wednesday 11th October 2023

Dear Parents and Carers,

IMPORTANT TIMES TABLES SUPPORT SESSION FOR PARENTS OF Y4 CHILDREN

As you may be aware, in June, all Y4 children are required to take the national *Multiplication Tables Check* (also referred to as the MTC). The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will also help schools to identify any children needing additional support.

We would like to invite you to a meeting in school on **Tuesday 17th October at 3pm.** This session will begin with an opportunity to work with your child, in class, where Mrs Asumadu-Aboagye will show some methods we use to help children to learn and practise times tables. There will then be a short fifteen-minute session to share important information about the tests.

It would be beneficial that an adult representing your child attends. If you are unable to attend yourself, another adult such as a grandparent would be very welcome.

Please see the forms section of your Weduc account and confirm attendance there.

Many thanks, as always, for your support,

Miss E Parry
