

Dear Sir/Madam,

This is a polite notice for all parents that attend St Patrick's RC school to drop off/collect their children at school hours. Unfortunately, there are on-going issues regarding parking opposite the school, on the Clayton Glass site.

There are safety concerns as large vehicles are regularly turning into this site during drop off/collection time, where a small child could easily be missed walking in front/behind one of these vehicles whilst been dropped off/collected. We must advise that using this location as a drop-off point is not acceptable due to the dangers this poses.

Please park safely, observing any parking restrictions, and please avoid parking on, or near the entrance to Clayton Glass, in order to safeguard your children.

I hope everyone understands the advice given in this letter. Please do not hesitate to get in touch, if you have any further questions.

Many thanks,

Olivia Bulmer
