Dear Parents and Carers,

## **TIMES TABLES ROCKSTARS**

As you may know, at St. Patrick's, we use an online programme called Times Tables Rock Stars to help our older pupils become confident and fluent with times tables. This fun and engaging platform is designed to support children in practising multiplication and division skills in an interactive way, both at school and at home.

From this month, we are extending the programme to include our Year Two children. Children have been given log-in details and are encouraged to access the programme and practise at home at least twice per week. At the moment, we would simply like children to explore the programme and practise their tables. In the summer term of Year Two, this practice will move to become an expectation in preparation for Year Three.

It is important that children complete the activities **independently**. Times Tables Rock Stars adapts automatically to each child's level based on how they answer questions. If adults provide answers for children, the programme receives an inaccurate picture of their ability and may increase the difficulty too quickly. This can lead to unnecessary frustration for the child, so we kindly ask that parents support children with encouragement rather than answering questions on their behalf.

The Times Tables Rockstars website is

[www.ttrockstars.com](http://www.ttrockstars.com)

If you have any questions or need assistance with setting up, please do not hesitate to contact the school office.

Thank you for your continued support in making learning an enjoyable experience for our pupils.

Kind regards,

Miss E Parry,
