Dear Parents/Carers

## **Year 4 Centre for Life Trip**

In order to enhance our topic of 'States of Matter' in science, an exciting trip to The Centre for Life has been planned for our Year 4 on **Thursday 2<sup>nd</sup> July**. We will be leaving school just after 9am and returning for normal end-of-day arrangements.

During the day, children will have the opportunity to take part in a chemistry workshop to explore states of matter, watch a show in the planetarium and get hands-on with many activities in the museum.

On the day, children should wear school uniform and bring a packed lunch. School can provide a packed lunch for all children attending. Please note, if you currently pay for your child's school meals, the charge will be added to your Arbor account in the usual way. **Please complete the form below by 9am Monday 20<sup>th</sup> April and indicate if your child requires a school-made packed lunch, or if you will be providing one for them.** Please contact the school office for any food allergen information.

<https://forms.office.com/e/1LhHAnZ1Pi>

We ask for a contribution of **£30** towards transport, entry and workshop costs. Payment can be made in instalments via your child's Arbor account under the 'Trips' section. Consent for your child to attend the trip will also be given with the initial payment. As I'm sure you are aware, across the country, school budgets are strained. Unfortunately, if not enough payment is received, the trip will not be able to go ahead.

Thank you for your on-going support.

Yours sincerely

Mrs Moore
